

## REACH FULL POTENTIAL despite hearing loss

**This 3-hour interactive, non-accredited online session supports the employer, the individual and co-workers in dealing with the challenges associated with hearing impairment or deafness, with practical guidance on:**

- The impact of hearing impairment or deafness.
- Why and when hearing loss can be considered a disability
- Accessibility of products, programmes, environments and services for persons with hearing loss
- Insight into the processes of Dialogue, Mediation & Litigation when reasonably accommodating persons with impairments/disabilities.
- Available assistive devices, technology and support services
- Accessibility screening in practice
